Hello

I have been a client of PAWS since 1993 I think.

I had Sammy he is gone now.

I had Shadow he is gone now

I now have Gypsy Rose Lee. she is 14 years old.

And now Simon he is 13 years old

PAWS had been a life saver for me.  
If it was for there help I don't think  
my health would not be a good as it is.

I have been positive since 1987.
